## Historique

---

### #1 - 06 juin 2017 23:04 - Serghei Mihai

J'ai tenté de modifier le nom et le slug du rôle Administrateur du rôle "Démarches de Gorges" comme signalé dans #16711 depuis l'admin d'authentification en Administrateur du rôle "Démarches de Haute Goulaine".

Je l'ai du coup supprimé et il a été reprovisionné avec l'id 142: [https://connexion.clissonsevremaine.fr/admin/a2\\_rbac/role/142/](https://connexion.clissonsevremaine.fr/admin/a2_rbac/role/142/)
