Révisions associées

Révision c293e97a - 04 mars 2020 14:23 - Frédéric Péters

scss: use mixin to style notification messages (#25297)

This also allows replacing compound selector by a simple %extend, as required for sassc ≥ 3.6.1.

Révision e37cf812 - 04 mars 2020 14:23 - Frédéric Péters

scss: replace budget-table compound selector by a simple one (#25297)

required for sassc ≥ 3.6.1

Révision e328ece6 - 04 mars 2020 14:23 - Frédéric Péters

scss: replace block compound selector by a simple one (#25297)

required for sassc ≥ 3.6.1

Révision 8418ca6e - 04 mars 2020 14:23 - Frédéric Péters

scss: replace pk-button compound selector by a simple one (#25297)

required for sassc ≥ 3.6.1

Révision a1407017 - 04 mars 2020 14:23 - Frédéric Péters

fondettes: replace compound selector by a simple one (#25297)

required for sassc ≥ 3.6.1

Révision b1d5ce99 - 04 mars 2020 14:23 - Frédéric Péters

tournai: replace compound selector by a simple one (#25297)

toodego: replace compound selector by a simple one (#25297)

Historique

#1 - 01 mars 2020 10:01 - Frédéric Péters

3.6.1 est désormais dans sid et on se retrouve avec ça,

```
WARNING on line 313, column 11 of ../static/tournai/_custom.scss:  
Compound selectors may no longer be extended.  
Consider `@extend input, [type=submit]` instead.  
See http://bit.ly/ExtendCompound for details.
```

#3 - 04 mars 2020 14:21 - Thomas Jund (congés, retour le 29/04)

- Statut changé de Solution proposée à Solution validée

Ça me paraît bon, tout ce qui permet de simplifier les sélecteurs est une bonne chose :)
