## Révisions associées

### Révision 06c13938 - 10 août 2018 17:27 - Frédéric Péters

manager: add paginate\_by attribute required by django-tables2 < 1.2.1 (#25622)

## Historique

### #1 - 10 août 2018 15:01 - Frédéric Péters

- Fichier 0001-manager-add-paginate\_by-attribute-required-by-django.patch ajouté
- Statut changé de Nouveau à Solution proposée
- Patch proposed changé de Non à Oui

C'est corrigé dans la v1.2.1 de django-tables2 :

```
## v1.2.1 (2016-05-09)
- ...
- Check if the view has `paginate_by` before before trying to access it. (fixes #326)
```

mais ça se contourne facilement donc j'ai préféré ne pas toucher aux dépendances vu qu'on tourne encore en django-tables2 1.0 sur la prod (et seulement 1.2.0 est dispo dans jessie-backports).

### #2 - 10 août 2018 17:13 - Benjamin Dauvergne

- Statut changé de Solution proposée à Solution validée
- Assigné à mis à Frédéric Péters

### #3 - 10 août 2018 17:28 - Frédéric Péters

- Statut changé de Solution validée à Résolu (à déployer)
