

Chrono - Bug #31421

nettoyage attribut tapé en commentaire

14 Mar 2019 03:24 PM - Frédéric Péters

Status:	Solution déployée	Start date:	14 Mar 2019
Priority:	Normal	Due date:	
Assignee:	Frédéric Péters	% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:		Planning:	No
Patch proposed:	Yes		

Description

Dans [#16238](#), en gros :

```
- label = serializers.CharField(max_length=150, allow_blank=True, required=False)
+ label = serializers.CharField(max_length=150, allow_blank=True) #, required=False)
```

Dans [#25820](#) un patch introduit un attribut supplémentaire et copie/colle ce #, required=False), je trouve ça vraiment ridicule.

Associated revisions

Revision 3cc8e5d6 - 17 Mar 2019 03:17 PM - Frédéric Péters

misc: remove comments with old attribute value (#31421)

History

#1 - 14 Mar 2019 03:25 PM - Frédéric Péters
