

## Lasso - Development #56883

### ID-WSF removal removed too many symbols

12 septembre 2021 08:45 - Frédéric Péters

<b>Statut:</b>	Fermé	<b>Début:</b>	12 septembre 2021
<b>Priorité:</b>	Normal	<b>Echéance:</b>	
<b>Assigné à:</b>	Benjamin Dauvergne	<b>% réalisé:</b>	0%
<b>Catégorie:</b>		<b>Temps estimé:</b>	0:00 heure
<b>Version cible:</b>		<b>Planning:</b>	Non
<b>Patch proposed:</b>	Oui		
<b>Description</b>			
lasso_register_dst_service (at least) was built and exported even without --enable-id-wsf. It shouldn't have been removed. (or the soname should be bumped)			

#### Révisions associées

##### Révision d80357e2 - 13 septembre 2021 12:13 - Benjamin Dauvergne

Keep ABI stability (#56883)

The following functions were part of the experimental ID-WSF support recently removed but were incorrectly included in the official ABI, so we restore dummy versions of them (they do nothing or return NULL):

- lasso\_get\_prefix\_for\_dst\_service\_href
- lasso\_get\_prefix\_for\_idwsf2\_dst\_service\_href
- lasso\_register\_dst\_service
- lasso\_register\_idwsf2\_dst\_service

#### Historique

##### #2 - 12 septembre 2021 16:16 - Benjamin Dauvergne

If I restore dummy functions with same name, would it be enough ? They have no use without the rest of the ID-WSF code.

##### #3 - 12 septembre 2021 17:09 - Frédéric Péters

Same name and signature iirc, for:

```
LASSO_EXPORT void lasso_register_dst_service(const char *prefix, const char *href);
LASSO_EXPORT char* lasso_get_prefix_for_dst_service_href(const char *href);
LASSO_EXPORT void lasso_register_idwsf2_dst_service(const gchar *prefix, const gchar *href);
LASSO_EXPORT gchar* lasso_get_prefix_for_idwsf2_dst_service_href(const gchar *href);
```

##### #4 - 13 septembre 2021 11:15 - Benjamin Dauvergne

- Assigné à mis à Benjamin Dauvergne

##### #5 - 13 septembre 2021 11:21 - Benjamin Dauvergne

- Fichier 0001-restore-some-ID-WSF-functions-to-keep-current-ABI-as.patch ajouté
- Tracker changé de Bug à Development
- Statut changé de Nouveau à Solution proposée
- Patch proposed changé de Non à Oui

##### #6 - 13 septembre 2021 12:15 - Benjamin Dauvergne

- Fichier 0001-Keep-ABI-stability-56883.patch ajouté

##### #7 - 13 septembre 2021 12:15 - Benjamin Dauvergne

- Statut changé de Solution proposée à Résolu (à déployer)

```
commit d80357e22635888764c9a07eb2604a6d0cb56f91
Author: Benjamin Dauvergne <bdauvergne@entrouvert.com>
Date: Mon Sep 13 11:20:52 2021 +0200
